History of St. Anne Parish~1919-2016

Father William Cleary was directed by Most Rev. E.M. Dunne, Bishop of Peoria to establish another Catholic Parish in East Moline after a survey deemed it a necessity. In May 1919, he celebrated the first Sunday Mass in The Lyric Theater as the very beginning of the fledgling parish.

Soon thereafter plans were drawn up for a church-school combination building. Construction was begun in 1919 but progress was slow due to the weekly financial arrangement made with the contractor. In the fall of 1920, the first floor of the half building was completed and services were held in it. By 1925, the second floor was finished which was the site of the school staffed by five Sisters of Charity, BVM. The parish grew under Father Cleary's guidance until eight classrooms were needed therefore the basement was used as a church, from 1951 to 1953.

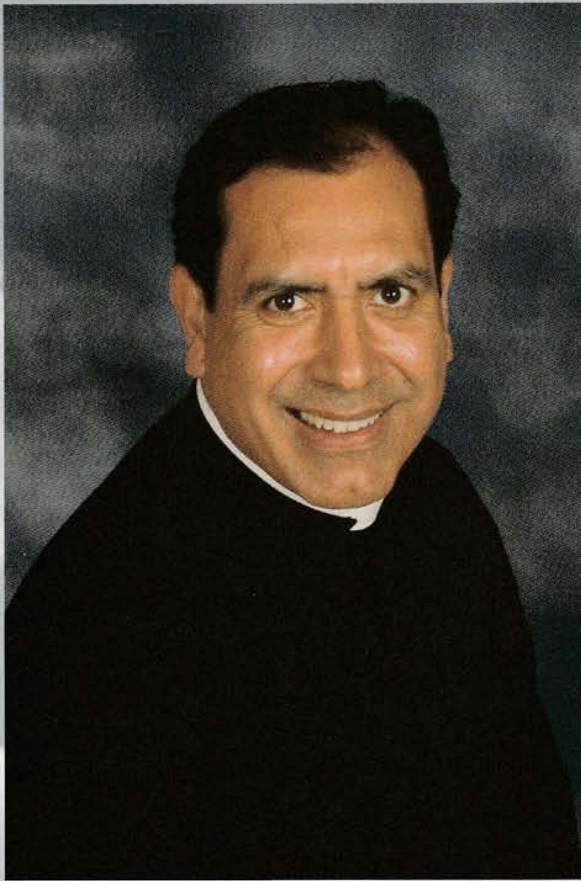

In 1946, Father Cleary received his first assistant and in March of 1951, construction began on the present church which was completed in 1953. In 1959, a four classroom annex was built and in June of 1967, a convent was completed for the sisters formerly living in two houses. St. Anne Parish flourished under Father Cleary and succeeding pastors and assistant pastors listed below:

Fr. Fredi Gomez Torres

Dear Parishioners:

As we celebrate the Extraordinary Jubilee Holy Year of Mercy, and as Pope Francis reminds us, we and the church, need to be a witness to mercy and to live in the light of the word of our Lord.

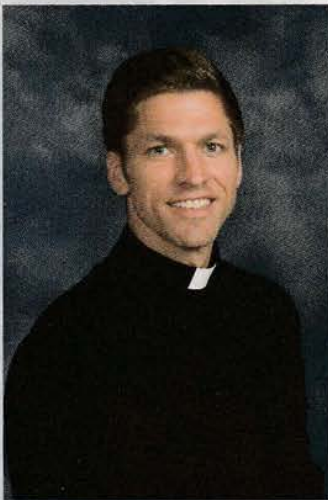

*"Be merciful, even as your Father is merciful."
(Luke 6:36)*

This Jubilee year gives us an opportunity to rediscover and render fruitful, God's mercy, with which we are called to give comfort to every man and woman of our time.

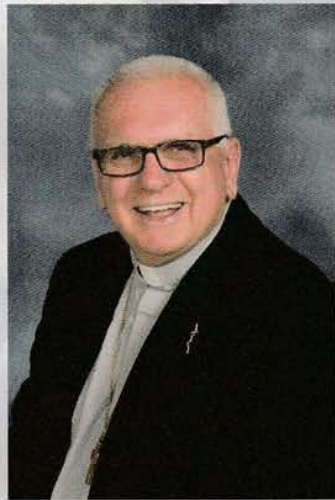

I hope this parish directory will serve as an instrument that will help identify our fellow parishioners who share with us the call to be the mercy of God.

We ask for God's continued blessings on all families as we thank Him for His presence in our lives now and forever.
